

Clueless (1995)

Drinking Game Rules.

Drink when:

- Someone says something “Totally” 90’s
- Someone wears something totally 90’s
- You see something fluffy
- There’s a hair flip
- Cher makes a pouty face
- Cher grunts, whines or squeaks
- Cher drives badly
- You see a phone
- Cher gets hit on

Drink Twice

- If you would absolutely wear something someone is wearing now
- When you swoon over Paul Rudd
- When you then think about how Paul Rudd doesn’t seem to have aged along with everyone else
- You spot a ‘new nose job’

Finish your drink (Or three drinks if you’ve just topped up)

- When “Clueless” is said

Remember to drink responsibly, and only do the rules you are comfortable keeping up with
