

Love Actually (2003)

Drinking Game Rules.

Drink when:

- Anyone swears (easy does it)
- Colin Firth says something incorrectly in Portuguese
- Someone is wearing something festive
- You hear “Christmas is all around you”
- Sam plays the drums
- Alan Rickman’s assistant flirts like the homewrecker she is
- Someone talks about Martine McCutcheon’s weight
- You wish Hugh Grant was the actual Prime Minister

Drink Twice

- Someone confesses their love (plutonic or otherwise) or finally gets together
- Someone says “Actually”
- Story lines cross

Finish your drink (Or three drinks if you’ve just topped up)

- The cue card scene (whether it’s cute or creepy I will leave to you)
- Poor, wonderful Emma Thompson’s heart breaks into pieces.
- An unattended child manages to get by airport security

Remember to drink responsibly, and only do the rules you are comfortable keeping up with
